

FLIPPMI

Supporting the participation of migrant families in Flipped Learning

OBJECTIVE:

The FLIPPMI project aims to strengthen the participation of migrant families in Flipped Learning through Family Learning methods by equipping Intercultural Mediators with the necessary skills and resources to support the process.

PARTNERS:

A multi-sectoral partnership of eight organizations experts in Family Learning and Flipped Learning, intercultural mediation, developing ICT-based tools, and supporting migrant families, working together to analyse the main needs that migrant parents and pupils are facing in school contexts.

PROJECT RESULTS:

To this purpose, the consortium will co-design, develop, test, and mainstream the following innovative and Open Educational Resources (OER), freely accessible:

- ◇ Matrix of Competencies - A structured set of competencies based on EU standards and methods on Flipped Learning for migrant families through Family Learning.
- ◇ Online Campus - A new ICT-based educative tool for Intercultural Mediators.
- ◇ Practical Activities Set - A practical tool with a series of comprehensive methods, exercises and activities to be applied by Intercultural Mediators in their daily practice supporting migrant pupils and parents.

NEWS:

The first project meeting was organised online but we are happy to announce that our second encounter was held in Klagenfurt (Austria) in September, where we continued working together on Flipped Learning. Let's keep it up!
